

It's Pillow Storytime!

at St. Catherine of Genoa Parish
Saturday, February 6th
3:30 pm

The Pillow Story offers a fun and unique way for parents and teachers to address issues of diversity, acceptance and the homeless. Meet three geese on a journey who look quite different from each other, yet learn that their hearts are very much the same.

The author will read the story and hold a book signing. Cookies and milk will be served, and a coloring contest will be held after Storytime (winners announced after 5:00 pm Mass).

A donation of five dollars from the sale of each book will be made to Lazarus House in St. Charles in support of their women and children's center.
